

Season's Greetings

From all at AHS

Well, what a year 2021 has been again, with COVID-19 and its associated problems - we are so grateful to have had your continued support through such difficult times.

We have successfully launched our new look website, which details our extensive product ranges, introduced our wonderful new Heart of Eden range of premier bagged products and how we are working with partners like Planet Mark by reducing carbon emissions during this essential decade of action.

We are also highlighting our fight to save the UK's peatlands by ensuring high quality peat free alternatives. It is essential that we all do our bit to help these precious habitats continue for millennia to come.

As always, we are driven to source environmentally sound, recycled or renewable products to ensure we not only provide clients with premium products at outstanding prices, but in doing so we do not impact the natural world around us in anything but a positive way.

To ensure we are environmentally friendly, we no longer send out Christmas cards to clients or suppliers. However, we will again be donating what they would have cost to good causes. This year's Charities are The Guide Dogs for the Blind Association and the NHS Conquest Hospital Garden Fund, which is located close to our Head Office.

Our offices will be closed for the festive period from 17.00 on Wednesday 22nd December 2021 and will reopen at 08.30 on Tuesday 4th January 2022.

We would like to wish you all a very Merry Christmas and Happy New Year from all of us here at AHS and we look forward to working with you again in 2022!
